We appreciate the opportunity to assist with your diagnostic healthcare needs. Please note that our MRI scanner and technician's time are typically scheduled two to three days in advance.

To ensure efficient service for all our patients, it is crucial that you notify us as early as possible if you are unable to keep your appointment. Due to the high demand for MRI testing and limited appointment availability at certain locations, we have implemented a **\$100 no-call, no-show fee**. This fee is not covered by insurance. To avoid this charge, please cancel or reschedule your appointment at least **24 hours before** your scheduled time. Failure to do so may prevent another patient from receiving the care they need.

To cancel or reschedule, please contact the MRI department directly at **248-488-7844**. If you reach the voicemail, please leave a message to include your name, correct spelling of the first and last name, date of birth, and best contact number, and we will return your call promptly.

By signing below, you understand and agree to our no-show and cancellation policy.

Thank you for your understanding and cooperation.
